MONTREAL TRANSFER

ADDED CONVENIENCE FOR THROUGH PASSENGERS

To relieve through passengers of the care of such hand baggage as they will not require during their stay in Montreal, an arrangement is in effect whereby hand baggage may be checked WITH REPRESENTATIVE OF THE CANADIAN TRANSFER COMPANY (OFFICIAL TRANSFER COMPANY FOR THE RAILROADS) at the station where you arrive to the station from which you leave Montreal. If you wish to use this service, please deliver your hand baggage upon arrival to the Canadian Transfer Company's REPRESENTATIVE who will issue claim check therefor, collecting transfer charge of 25 cents for each piece. Your baggage will then be TRANSFERRED to the parcel check room of the station from which you will leave Montreal, where it may be claimed by you on SURRENDER OF the claim check, and payment of parcel room charges.

LE TRANSPORT DES

BAGAGES À MONTRÉAL

AJOUTE AU CONFORT DU VOYAGEUR

Le voyageur de passage qui repart par une gare autre que celle d'arrivée peut faire porter à la gare de départ, dès son arrivée, les bagages dont il n'a pas besoin, à raison de 25 cents chacun. Il n'y a qu'à les confier à l'agent de la CANADIAN TRANSFER COMPANY (camionneurs officiels du chemin de fer) qui lui remettra un bulletin lui permettant de retirer ses bagages à la Consigne de la gare de départ sur paiement des frais ordinaires de consigne.

No Matter the Weather

No matter what the weather is "outside", you'll be able to "crow" about the clean, refreshing air — and temperature that's always just right — "inside" the air-conditioned Parlor Cars, Dining Cars, Coaches, Standard and Tourist Sleepers on all principal CANADIAN NATIONAL trains . . . for they are "sealed" against outside weather elements . . . And in the berths "individual control" enables you to control YOUR OWN air-conditioning!

CANADIAN NATIONAL *Air-conditioned* EQUIPMENT

★ In time tables, air-conditioned cars regularly assigned are designated with a ★. Every effort will be made to provide as specified, but the right is reserved to employ non air-conditioned cars as necessitated by volume of traffic or emergencies.

SHIP *by* TRAIN all year 'round!

Snow blocked roads and icy highways this winter need not mean delayed deliveries to shippers using *railway* freight services.

Canadian National freight trains operate on fast, regular schedules—*in all kinds of weather,* assuring prompt and accurate delivery.

Take advantage of the equipment and organization maintained by Canadian National *for your use,* and save time, worry and money!

...FOR SPEED AND ECONOMY

"TRAVEL WEST THE JASPER WAY"—you'll hear it said on every side. Experienced travellers are quick to recognize the advantages of this famous scenic route across Canada. Young and old appreciate the *extra* comforts of Canadian National's modern air-conditioned cars...the fast, powerful locomotives, that take them smoothly and easily across the continent...the excellence of the meals, and the cheerful service tendered by the entire train's crew. They realize that these are the things that make travel truly enjoyable! The trend in travel swings definitely to THE JASPER WAY.

From Vancouver in the West, to Halifax in the East, you can travel THE JASPER WAY—quickly, safely, comfortably and economically—whether your trip be long or short.

Served by three of Canadian National's smart trains—the "Continental Limited" between Vancouver and Montreal (or Toronto), and the "Ocean Limited" and the "Maritime Express" between Montreal and Halifax—it is THE JASPER WAY—*all* the way!

Des voyages gratuits de Toronto ou Hamilton à Niagara Falls, Ont., ou Suspension Bridge ou Niagara Falls, N.Y., et retour, sont accordés avec certaines catégories de billets. S'adresser aux agents du Canadien National à la Gare de Toronto ou à la Gare de Hamilton.

Trains Climatisés.—Les voitures climatisées qui entrent régulièrement dans la composition des trains sont marquées d'un ★. Normalement elles circuleront sans interruption, mais en cas d'urgence ou de fort trafic on se reserve le droit d'employer des voitures non climatisées.

Les bagages comprennent les effets d'habillement, les articles de toilette et les autres articles nécessaires au voyageur pour son confort; ces choses doivent être enfermées dans des sacs, valises, malles, etc.

Aucun bagage pesant plus de 250 livres ne sera transporté comme bagage ordinaire.

A moins d'avis contraire chaque billet d'adulte donne droit au transport gratuit de 150 livres de bagages d'une valeur n'excédant pas $100 et chaque billet d'enfant à demi-tarif à 75 livres de bagages n'excédant pas une valeur de $50.00. Petits bagages.—Les voyageurs ne peuvent emporter dans les voitures qu'une quantité raisonnable de petits bagages.

Bagages enregistrés pour les stations d'arrêt sur signal.—Lorsqu'il n'y a pas d'agent à la station d'arrivée on doit réclamer ses bagages au fourgon avant l'arrivée.

Des frais de stationnement seront perçus sur toute pièce de bagages laissée à la consigne au-delà du temps réglementaire.

Cas de civière.—Comme les cas de civière peuvent causer des encombrements au public voyageur, il est essentiel de faire à l'avance les arrangements nécessaires; veuillez consulter les agents.

Les Chiens sont transportés dans le fourgon à bagages d'après le tarif en cours. Ils doivent être bien muselés et porter un collier ou un harnais ajusté et fort, ainsi qu'une chaine ou une laisse solide, ou alors être placés dans une caisse à claire-voie. Les petits chiens, les petits chats et les autres petits animaux (qui ont ni vice, ni odeur, et ne sont pas inadmissibles pour d'autres causes) lorsque dans un panier ou autrement enfermé, peuvent être emportés par le voyageur avec ses autres bagages à main dans le compartiment, la cabine ou la chambrette qu'il a louée.

Les objets laissés dans les trains doivent être réclamés de l'agent général des bagages le plus près.

Les malles d'échantillons des voyageurs de commerce ne sont pas enregistrées pour ou de Sunnyside, Ont.

Matériel et décors de théâtre.—La Compagnie ne garantit pas de les transporter dans le même train que les acteurs, mais se réserve le droit de les expédier par le premier train à sa convenance.

Il est illégal de transporter dans de bagages enregistrés ou à main des matières inflammables, explosives ou autrement dangereuses.

Assurance des bagages. On peut assurer les bagages aux principaux bureaux du Canadien National. La responsabilité de la compagnie en cas de perte ou vol étant limitée, cette précaution est recommandée aux voyageurs.

Douanes.—Les voyageurs doivent dédouaner eux-mêmes leurs bagages.

Les bagages enrégistrés aux Etats-Unis pour le Canada devraient être, autant que possible, dédouanés à la frontière. Des douaniers canadiens sont stationnés dans toutes les principates villes (voir Index des stations). Un douanier canadien est aussi stationné à Chicago (Gare Dearborn) sauf pour le train No. 6 ainsi que les dimanches et les jours fériés. Les bagages à main sont dédouanés à la frontière.

Les bagages enregistrés au Canada pour les Etats-Unis peuvent être dédouanés au Canada aux endroits suivants:—

Tous les jours, exceptés les dimanches et les jours fériés aux Etats-Unis — Toronto-London-Québec-Montréal-Winnipeg-Prince Rupert et St. Jean (Halifax du 1er déc. au 30 avril). Demandez aux agents à quelle heure les douaniers sont en devoir.
