SYSTEM TIME TABLES

NOTES FOR READERS:

The tables are numbered. To find train service to or from a station refer to the table numbers after that station in the alphabetical index, pages 73-81. When service between two stations appears in a through time-table, the same table number will appear in the index after each station. The maps, pages 40-43, will be found useful for locating the names of junctions if you are making a trip that requires a change of trains.

STANDARD TIME is used for all schedules in this timetable.

Time from 12.01 am (after midnight) until 12.00 noon is shown in light face type. Time from 12.01 pm (after noon) until 12.00 midnight is shown in heavy face type.

Steps are made at a station only if a time, letter or symbol appears in the schedule column opposite it.

A letter or symbol appearing with a train time indicates a restricted stop. All letters and symbols are explained under the caption "Reference Marks" appearing at or near the table in which the sign is used.

"Equipment" refers to the various cars which make up a train. When a train includes sleeping, parlor, or dining cars, the equipment is listed close to the train's time-table, or a note at the bottom of the page indicates where the listing can be found. All trains carry coaches except where otherwise indicated.

Along 24,000 miles of railway, changes in train service may become necessary between the publication of one time-table and the appearance of the next, therefore, time-tables herein are subject to change without notice.

EUROPE IS ALWAYS IN SEASON

It is carnival-loving, fête-observing every day in the year. Now is the time to go because devalued currencies in nearly all countries cut the cost for visitors by almost one-third. Old castles and churches, historic scenes which from childhood have always been "far away and long ago", will become your immediate experience. Then, too, there are intangible gifts, such as making new friends, enlarging your experiences, and unforgettable pleasures that accompany you from the hour you depart till you return. You have often said: "I'll go to Europe someday!" Now, "someday has come. Book your passage and go this year."

RENSEIGNEMENTS GÉNÉRAUX

Les horaires sont sujets à changement sans avis préalable. Les trains circuleront aux heures indiquées à l'horloge, mais le Chemin de fer ne sera tenu responsable des délais ou retards incontrôlables. Le Canadian National ne répond pas de l'exactitude des horaires d'autres compagnies. Ils ne sont mentionnés que pour la commodité du public voyageur. Le chemin de fer ne peut être tenu responsable des délais, ennuis, retards encourus par défaut de correspondance avec ces compagnies.

Le préfixe "M" devant le numéro d'un train indique que ce train est mixte et qu'il transporte les voyageurs et les marchandises en quantité moindre qu'un wagon.

Les billets seront délivrés et les bagages enregistrés que pour les stations où les trains arrêtent.

L'heure des trains, de minuit à midi, est indiquée en caractères ordinaires (normaux), et de midi à minuit en caractères gras (normaux). Tous les horaires sont établis sur l'heure normale.

Les Enfants de 5 à 12 ans paient demi-place. Ceux de moins de 5 ans voyagent gratuitement quand accompagnés d'un parent ou d'un gardien.

Billets Perdus.—La Compagnie décline toute responsabilité pour les billets perdus. Des passages de retour ne sont émis par les chefs de trains qu'aux voyageurs qui montent à des gares où il n'y a pas d'agent ou bien où le bureau des billets n'est pas en devoir.

En cas de désaccord avec le conducteur d'un train au sujet de billets, privilèges, etc., le voyageur voudra bien payer le conducteur, lui demander un reçu et rapporter le cas au Service des voyageurs.

Les billets sont personnels et ne peuvent être utilisés par d'autres que les acheteurs. Les arrêts en cours de route sont consentis avec certaines catégories de billets. Pour renseignements, s'adresser aux agents.

Des voyages gratuits de Toronto ou Hamilton à Niagara Falls, Ont. ou Suspension Bridge ou Niagara Falls, N.Y. et retour, sont accordés avec certaines catégories de billets. S'adresser aux agents du Canadian National à la Gare de Toronto ou à la Gare de Hamilton.

Trains Climatés.—Les voitures climatées qui entrent régulièrement dans la composition des trains sont marquées d'un ★. Normalement elles circuleront sans interruption, mais en cas d'urgence ou de fort trafic on se réserve le droit d'employer des voitures non climatées.

Cas de civilité.—Comme les cas de civilité peuvent causer des encombrements au public voyageur, il est essentiel de faire à l'avance les arrangements nécessaires, veuillez consulter les agents.

Les objets laissés dans les trains doivent être réclamés de l'agent général des bagages le plus près.

Petits bagages.—Les voyageurs ne peuvent emporter dans les voitures qu'une quantité raisonnable de petits bagages.

Les bagages comprennent les effets d'habillement, les articles de toilette et les autres articles nécessaires au voyageur pour son confort; ces choses doivent être enfermées dans des sacs, valises, malles, etc.

Aucun bagage posant plus de 250 livres ne sera transporté comme bagage ordinaire. La Compagnie ne garantit pas de transporter les bagages dans le même train que les voyageurs mais se réserve le droit de les expédier par le premier train à sa convenance.

A moins d'avis contraire chaque billet d'adulte donne droit au transport gratuit de 150 livres de bagages d'une valeur n'excédant pas \$100 et chaque billet d'enfant à demi-tarif à 75 livres de bagages n'excédant pas une valeur de \$50.00. L'excédent est taxé d'après les tarifs courants.

Il est illégal de transporter dans des bagages enregistrés ou à main des matières inflammables, explosives ou autrement dangereuses.

Les malles d'échantillons des voyageurs de commerce ne sont pas enregistrées pour ou de Sunnyside, Ont.

Bagages enregistrés pour les stations d'arrêt sur signal.—Lorsqu'il n'y a pas d'agent à la station d'arrivée on doit réclamer ses bagages au fourgon avant l'arrivée.

Livraison spéciale des bagages.—Les bagages peuvent être enregistrés pour livraison à destination, au domicile, aux hôtels, aux quais d'embarquement ou autres gares de chemin de fer; les charges pour ce service peuvent être payées à l'avance ou perçues sur livraison dans les principales villes du Canada et des États-Unis.

Des frais de stationnement seront perçus sur toute pièce de bagages laissée à la consigne au-delà du temps réglementaire.

Assurance des bagages. On peut assurer les bagages aux principales bureaux du Canadian National. La responsabilité de la compagnie en cas de perte ou vol étant limitée, cette précaution est recommandée aux voyageurs.

Les chiens sont transportés dans le fourgon à bagages d'après le tarif en cours. Ils doivent être bien muselés et porter un collier ou un harnais ajusté et fort, ainsi qu'une chaîne ou une laisse solide, ou alors être placés dans une caisse à claire-voie. Avant de demander l'enregistrement d'un chien pour un endroit au-delà de la frontière, les voyageurs sont priés de se renseigner sur la législation à ce sujet. Les chiens spécialement entraînés pour guider les aveugles, seront transportés en conformité avec le circulaire no E. 359, W. 424, C. 143. Le transport au Canada de tous autres chiens et animaux légers de quelque nature que ce soit, est défendu dans les voitures servant à l'accommodation des voyageurs.

Douanes.—Les voyageurs doivent dédouaner eux-mêmes leurs bagages.

Les bagages enregistrés aux États-Unis pour le Canada devraient être, autant que possible, dédouanés à la frontière. Des douaniers canadiens sont stationnés dans toutes les principales villes (voir Index des stations). Les bagages à main sont dédouanés à la frontière.

Les bagages enregistrés au Canada pour les États-Unis peuvent être examinés par l'officier de douane américain à la frontière ou à:
