System Time Tables

Autumn is glorious in Canada and an ideal time for a vacation in the lovely Laurentians (above) or in any of Canada's many holiday regions. Train travel is pleasant and uncrowded too as you speed through the colorful autumn countryside.

THE BLUE FOLDER

SYSTEM TIME TABLES

NOTES FOR READERS:

The tables are numbered. To find train service to or from a station refer to the table numbers after that station in the alphabetical index, pages 73-81. When service between two stations appears in a through time-table, the same table number will appear in the index after each station. The maps, pages 40-43, will be found useful for locating the names of junctions if you are making a trip that requires a change of trains.

STANDARD TIME is used for all schedules in this Timetable.

Time from 12.01 am (after midnight) until 12.00 noon is shown in light face type. Time from 12.01 pm (after noon) until 12.00 midnight is shown in heavy face type.

Stops are made at a station only if a time, letter or symbol appears in the schedule column opposite it.

A letter or symbol appearing with a train time indicates a restricted stop. All letters and symbols are explained under the caption "Reference Marks" appearing at or near the table in which the sign is used.

"Equipment" refers to the various cars which make up a train. When a train includes sleeping, parlor, or dining cars, the equipment is listed close to the train's time-table, or a note at the bottom of the page indicates where the listing can be found. All trains carry coaches except where otherwise indicated. Regularly assigned cars are Air-Conditioned, except where indicated NAC.

Along 24,000 miles of railway, changes in train service may become necessary between the publication of one time-table and the appearance of the next, therefore, time-tables herein are subject to change without notice.

What is A "NO SHOW"?

A "No Show" could be described in different ways, but in simplest terms he's "the little man who isn't there" . . . in the chair, berth or bedroom reserved in his name. As a result the space is empty when the train pulls out, although the diagram indicates it as "sold".

Such empty chairs and sleeping accommodations have two very serious effects:

1. A passenger who wants space is unable to obtain it, perhaps, because the diagram shows no space is available.
2. Canadian National loses revenue because of this unsold space.

Please help us to serve you better. Cancel reservations promptly when you find you will not use the space you have reserved.

DON'T BE A "NO SHOW"

the right time but... the wrong place

Experience confirms that there is a right time and place for everything. For instance, that new plant you have been thinking about . . . Your experience may tell you that now is the time to act — and you are probably right. But there are other considerations . . .

One of them is correct LOCATION and it can be every bit as important as timing. The wrong location for your particular needs can nullify the best planning.

That's where you can use us! We have a staff familiar with the underlying problems of industrial placement and trained in the making of those economic analyses upon which plant location must be based . . . You can avail yourself of our experience entirely free of obligation.

RENSEIGNEMENTS GÉNÉRAUX

Les horaires sont sujets à changement sans avis préalable. Les trains circuleront aux heures indiquées à l'horaire, mais le Chemin de fer ne sera tenu responsable des délais ou retards incontrôlables. Le Canadien National ne répond pas de l'exactitude des horaires d'autres compagnies. Ils ne sont mentionnés que pour la commodité du public voyageur. Le chemin de fer ne peut être tenu responsable des délais, ennuis, retards encourus par défaut de correspondance avec ces compagnies.

Le préfixe "M" devant le numéro d'un train indique que ce train est mixte et qu'il transporte les voyageurs et les marchandises en quantité moindre qu'un wagon.

Les Billets seront délivrés et les **Bagages** enregistrés que pour les stations où les trains arrêtent. Aucun enregistrement de bagage de ou pour les stations Mont Royal et Bridge Street à Montréal.

L'HEURE des trains, de minuit à midi, est indiquée en caractères ordinaires (elzévir), et de midi à minuit en caractères gras (normande). Tous les horaires sont établis sur l'heure normale.

Livraison spéciale des bagages.—Les bagages peuvent être enrégistrés pour livraison à destination, au domicile, aux hôtels, aux quais d'embarcation ou autres gares de chemin de fer; les charges pour ce service peuvent être payées à l'avance ou perçues sur livraison dans les principales villes du Canada et des Etats-Unis.

Des frais de stationnement seront perçus sur toute pièce de bagages laissée à la consigne au-delà du temps réglementaire.

Assurance des bagages. On peut assurer les bagages aux principaux bureaux du Canadien National. La responsabilité de la compagnie en cas de perte ou vol étant limitée, cette précaution est recommandée aux voyageurs.

Les Chiens sont transportés dans le fourgon à bagages d'après le tarif en cours. Ils doivent être bien muselés et porter un collier ou un harnais ajusté et fort, ainsi qu'une chaine ou une laisse solide, ou alors être placés dans une caisse à claire-voie. Avant de demander l'enregistrement d'un chien pour un endroit au-delà de la frontière, les voyageurs sont priés de se renseigner sur la legislation à ce suget. Les chiens spécialement entrainés pour guider les aveugles, seront transportés en conformité avec la circulaire no E. 736, W.550, C. 206, 2643, S. 213.
